

DANCU ALEKSANDAR

<ReactDeveloper/>

ABOUT ME

Skilled Junior
React Developer
with a proven track record
of delivering scalable, high-performance
applications across few freelance projects. I believe
that learning is a lifelong journey, and I'm committed
to continuously improving my skills and knowledge,
using each experience as an opportunity to learn. I
have extensive experience in photography and
design, enabling me to create visually appealing
content. My skills in both fields allow me to deliver
high-quality work, from stunning photographs to
design elements that align with brand identity and
client vision.
